Please keep your comments constructive and professional, abiding by the Principles of Community

Alisher led quiz and midterm review sessions very well by being able to go through the topics and give an overview of each. By attending section I felt more prepared to take the quiz/midterm.

Alisher was a fantastic TA for this course and helped make up for the many failures of the professor. Works graded by him were consistently done quickly and accurately

great teacher

You were very informative, and thanks for all the hard work.
